Dear Ms. White:

Re: Freedom of Information and Protection of Privacy (FOIP) Act

Agriculture and Forestry (AF) has reached a decision about your request for information under the FOIP Act for access to:

A copy of the spreadsheets summarizing the Annual Reports submitted by all municipal districts and counties to the Inspection and Investigation Section, Animal Health and Assurance Branch of Alberta Agriculture and Forestry, excluding the personal information of the landowners/occupiers and excluding duplicates.

Timeframe: January 1, 2011 to December 31, 2016

AF is pleased to provide full access to the records you requested. The decision to grant full access was made by the delegated authority of AF and a copy of the records is enclosed. As your request specifically excluded the personal information of the landowners/occupiers, this information has been removed as non-responsive to the scope of the request.

Please note that strychnine is **not included** in the spreadsheets as the toxicant has not been used for over 15 years. It is used for rabies outbreaks of which there have been none since 1998.

You have the right to ask the Office of the Information and Privacy Commissioner (OIPC) to review any decision made in regards to a FOIP request under section 65 of the FOIP Act. To request a review, you must complete and deliver a Request for Review form within 60 days to the OIPC at 410, 9925 – 109 Street, Edmonton, Alberta, T5K 2J8. The form is available under the “Resources” tab on the OIPC website at: www.oipc.ab.ca or you can call them at 780-422-6860 or toll free at 1-888-878-4044 to request a copy of the form.

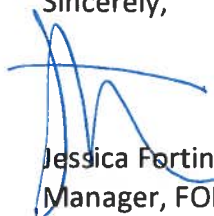

If you request a review, please provide the OIPC with a copy of your original request, any letters of clarification, a copy of this letter and the reason why you are requesting a review. Your request for review should not contain any information you do not wish to exchange with the other parties.
